

ELI WHITNEY INVENTED THE COTTON GIN IN 1793. THE COTTON GIN STARTED THE AGRICULTURAL REVOLUTION.

WELL JENNIFER...YOU ARE CORRECT BUT THE AGRICULTURAL REVOLUTION ENCOMPASSED MANY OTHER ELEMENTS AS WELL...

THE INVENTION OF THE COTTON GIN AND OTHER MACHINES LED TO THE DEVELOPMENT OF FACTORIES WHICH IN TURN CAUSED PEOPLE TO MOVE TO THE CITIES IN LARGE NUMBERS FOR FACTORY JOBS...

WHAT OTHER ELEMENTS?

THIS ALSO CREATED MIDDLE-CLASS "SKILLED WORKFORCE"...THE SKILLED WORKERS MADE MORE MONEY WHICH ALLOWED THEM TO SPEND MORE MONEY ON ITEMS OTHER THAN BASIC NECESSITIES

The Agricultural Revolution
